“ *My heart is broken. Tim was a wonderful co-worker and one of the best supervisors I have had in my years at Home Depot. He was innovative and I loved how his quirky sense of humor. I wish I had been able to say good-bye to him - I saw him once, late last year and said hi, but I could tell that he didn't feel good and I am sad that I didn't take more time to talk to him. I miss him terribly. My heartfelt condolences to the family. He left us much too soon.*

To me Tim was home depot to me. I have been at 1544 for 5 plus years and Tim was always a person I would go to. His AWESOMENESS was ALWAYS showing. He always made me feel so good when I was stressed. I truly loved Tim as a co worker. I really miss him. I never got to say goodbye but I know I will see him again in heaven. So sorry for your loss. Lord be with you all

I loved Tim as my supervisor. He taught me so much and had so much faith in me. It was so fun to finally get to sit in meetings and listen to him. The meetings were never dull. I always loved how he could come back with quick comments and make every one laugh. You are going to be so missed.
