“ *OMG!! Tina a was my first cousin. My mother and her father were siblings. Tina was my best friend as teenagers. I hadn't seen her since I left Michigan (where we grew up) in 1973. I had no idea Tina had passed. Does anyone have any details? Her last surviving siblings, Brenda, passed away today.*

*Hi Molly. My name is Dianne. Tina was my best friend. She has two sons, one still lives at her house, the other, Mike works at Tina & her husbands, Ray, business Tri-City Security in Ft Collins, CO. January 2 years ago, Ray died from a hit on the head causing a brain bleed. She didn't care much about living after that. She died from a lack of will to live & a broken heart. Sorry to hear her last sibling (Brenda) passed away. My sympathies to you and yours. Anything else you need to know, I am sure Mike will be more than happy to talk with you....number in the book. Take care, and again....sorry so many of your family are passing. I still miss Tina with all my heart, every day.*

*My name is Tammy Hoadley, I am Debbie's only daughter. She passed in 2001. I was looking for my aunts and just found out they both died in 2015. Does anyone know how either died?*

*My son works with Mike, Tina's son. He says Mike put an obit in Ft Collins Coloradoan last Sunday. Like you, I can't find it either. Mike also said they were having a memorial on 8/15. I know not much help, but thats all I got. Sorry...Dianne*

*Hi Dianne, I am the bookkeeper at Tri-City Security. I contacted the Coloradoan this morning. They did not publish an obit. The funeral home put in Sunday's paper that Tina passed away and that services are pending. I hope this helps to answer a few questions. Mike has told me the memorial service will be August 15. I hope to meet you there.

*Hi PJ....thanks for the response. I found out who you were from my son, Eric, who works at Tri-City. I should have known who you were, but you were always referred to as 'the bookkeeper'...now thats Italian ;o)  
I will probably not be at the memorial....Tina & Ray wont be there.  
Would like to meet you sometime though & share happy memories of two great people.  
All the best. Dianne*

*“ Dianne I am Tina's niece April. Lyle's daughter, I never got the chance to meet her I only spoke to her once many years ago. I don't know any details I just know that many of my father's family, whom I never met, passed away way to young. My mother has shared many memories of Aunt Tina with me and I wish I would of known her! Although, I despise snakes and I heard she is very fond of them. In another life Aunt I hope we shall meet and I am so very sorry about her loss to all that knew her. Aunt I heard about the giraffe my mom spoke of tee-hee !!!!*

*April....hi. So glad to see someone else post on Tina's board. Tina & I didn't talk much about our families, but I can tell you, you would have loved her...snakes and all. She was who she was & didn't care much who liked her or didn't. Ray was her life...so now she is gone & hopefully they are together. Have a good life & enjoy every minute....ya never know how many days you have. Dianne*

“ Tina was my best friend. I have no words for how mad I am at her for leaving this world.....I told her 'don't you dare die' just last week but her interest in life dwindled with Rays death two years ago. I will miss our lunches together, talking on the phone and above all....just knowing she was there. She was a wonderful human being with a great sense of humor.  
I sob as I type this cuz, my best friend is dead and I cannot get her back....EVER.  
I love you Tina....RIP
