January 27, 2021

"In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you." (John 14:2) Velma's place was prepared for her on January 27, 2021 as she passed away at Poudre Valley Hospital.

Velma was born July 16, 1936, to Joseph and Violet (Cook) Fruhwirth in Fort Collins, Colorado. She attended Windsor High School and spent most of her career at Teledyne Waterpix in Fort Collins. She enjoyed to spend time with her family playing games and having family dinners.

She is survived by her husband Floyd "Bud" McFarland, 2 daughters, Violet Wilson and Annette McFarland, son-in-law Bryan Wilson, grandsons Nathan McFarland (Laura), Brad Wilson, Shane McFarland, and Justin Wilson (Alexandra), 2 great grandchildren, Madison and Mason McFarland, and her sister Ruth McFarland.

Velma was preceded in death by her Mother and Father along with a son, Randy McFarland, 3 brothers John, Gene, Howard Fruhwirth and a sister Wanda Long.

Velma requested not to have any viewing or funeral services. The family has selected to fulfill her wishes.

Corinthians 1:3-4

3 - Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort;

4 - Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God.

“ *One of my memories was when we were butchering turkeys and tootsie got on a Turkey and acted like she was riding the Turkey. She was a great gardener and she gave us a bunch of Irises that she was throwing out. They were so beautiful.*

“ *Aunt Tootsie - I have very fond memories of you always being goofy and ornery. You made me laugh quite often when I was younger. Although I did not get to see you very often the last several years, I have great memories of when I did see you. Be at peace until we meet again. Love you. ❤️*

“ Toots you were such lively and funny aunt. I love you for who you are. My best memory, was when you had the whole family over for a superbowl Sunday. You made some pork chilli, and well who ever ate that pork chilli suffered dearly the next day. I have to say, spending all day on the toilet was a positive thing. I didn't have to go to work that day. I have many more memories of us all together. You will be truly missed.

Love you so much

“ So many memories of wonderful times we had when we visited with her. I remember her love of dolphins , she always said they were one of the best things God created for us to enjoy. She never failed to thank me for the Dolphin Painting I made for her. She was that kind of Lady, always thankful, never asking for anything. She will always be in our heart.

Our love and prayers are with all of you at this time of sorrow
May God's peace surround you in your season of grief.

“ My heart may have been ripped to shreds, but it wasn't made of paper.
My heart may have been shattered but it wasn't made of glass.
My heart may have hammered but it wasn't made of steel.
My heart was made from blood and tissue to remind me I will always love you!
