“ *Wow, I am so sorry to hear about Slava, he was a great person. We worked together for many years at FRR. My heart sank when I recently read about his passing. He will be truly missed. He was a creative. caring and fun individual.*

“ *I remember grieving for Slava in May 2013. I miss him still, of course, but my memories of him are all good ones. I can honestly say that Slava inspired me. Our friendship from meeting at the swimming pool was a blessing to me. Alan Carlson*

“ *You will live in the memories of so many people and how you touched them with your zest for life and love of family. You never stopped dreaming and never will.*
