“ *Sad to hear that Victor's mom passed away too. This is a picture I have of Victor when my family took him with us to the zoo or the natural history Museum late 70s or early 80s. He is on the far left. I think this is the only picture I have of Victor because my mom lost a lot of photos in a house fire*

“ I just Found this after doing a search for Victor Wind my old childhood friend. Very sad to hear this news. Victor was my closest childhood friend during the late 70s and early 1980s. I've always wanted to look him up and see how he's doing but have failed to find him whenever I did. I'm upset that it's too late now. 😞
