“ *Dear Family,*

I wish to express my sympathy regarding your loss of Willemina. Our family recently lost our eldest family member. We are encouraged to comfort one another as 2 Corinthians 1:3,4 states in God's word the Bible. Jesus Christ set an example for us by comforting those who were previously unknown to him. He went further, bringing families great joy by bringing their loved ones who had died back to life again.(John 11:25) Jesus has also promised there will be a worldwide resurrection at John 5:28,29. Almighty God, Jehovah assures us that He will end death, pain, tears and mourning. May these few Bible thoughts bring your family a measure of comfort and hope. God cares for you. (1 Peter 5:7)
