“ *"Billy" as I always remember him by, was always a happy and fun loving guy. We were both born in the Fleming community. I was about 18 months older than him. I have a picture of he and I all dressed up in shorts. We were about 6 or 7 years old at the time. I will share this picture with the family at the funeral. We always got along great and had lots of fun together. After he moved to Fort Collins we still would see each other at special occasions. What a guy Billy was!!!!... We will all miss him.
